

HEALTHY BODY HEALTHY MIND RESOURCE ORDER FORM

Print and FAX to 08 9431 3407

The HealthRight Project was officially launched in June 2007, by the Honourable Mr. John Hyde, Parliamentary Secretary to the Minister of Health, at the 'Healthy Body Healthy Mind Art' Exhibition.

The winning images now feature on these colourful resources with simple messages for health. The messages on the cards reinforce the SNAP onto Health Framework: Smoking, Nutrition, Alcohol and Physical Activity (Lifescrpts Advice for Healthy Living program).

For more information please contact Project Officer Ann Bates :

To order complete the form below and fax to: 08 9431 3407

The facts:

- People who live with mental illness (PWMI) in Western Australia are 2.5 times more likely to die from a physical illness than the general population.
- 43% of PWMI smoke compared to 24% of the general population
- Nutritional deficiencies, obesity and diabetes are major problems for PWMI
